

Hallow's Eve Race Information 2019

Hello Hallow's Eve Racers!

We are anticipating a great day of racing this year! Keep something crossed so we get eerily good weather again. The temperature will still be cool, so please bring some warm, dry clothes to change into after your race. We will have hot soup waiting for you at the finish line, along with bagels, peanut butter/cream cheese, cookies, oranges, bananas, hot coffee, hot chocolate and oh yes...can't forget the Hallow's Eve candy!

This document contains information about the race that you, racers, should know. Please read as part of your race day preparation.

Cut-off Times

There will be a cut-off time for the Marathon course at the Lynn Headwaters aid station. The cut-off time is 1:30 p.m. The Lynn Headwaters aid station is at approximately 24.5K.

Aid Stations

There are five aid stations in total: five for the Marathon, three for the Half Marathon and one for the 10K. Aid stations will have water, electrolyte drink, gels, chips, blocks or chews, cookies and other treats. First Aid supplies are available at every aid station.

Aid Station locations:

1. Pipeline Bridge (Rice Lake Road) near Varley Trail (marathon & half marathon)
2. Lynn Headwaters at hiker sign-in bridge (crosses Lynn Creek) (marathon & half marathon)
3. LSCR gazebo area (10K, marathon & half marathon)
4. Baden-Powell at Mosquito Creek (marathon only)
5. Old Mountain Highway (marathon only)

Call out your bib numbers at all aid stations. This is for safety reasons.

Half-Marathoners must also call out their bib number to the marshal at the top of Old Mountain Hwy.

Supplies to Carry

We do ask that marathoners and half marathoners carry some water and fuel. There are a few long stretches between some of the aid stations with some great climbs and you will need the hydration and fuel.

Marshals

Marshals are located at various points along the course to help keep you on course. Please listen to the marshals at street crossings. We are not allowed to stop traffic, so they are there to help you cross the road and keep you safe! There will be signage (and flagging) at intersections with no marshals.
